Volunteering

CoderDojo (Joondalup Library)

Feb 2025 – Current

- CoderDojo is a volunteer led coding mentorship program for students of all ages.
 - I mentor students in programming fundamentals as well as providing personalised guidance and technical support throughout their learning journey.
 - I collaborate with fellow mentors to design and implement an education curriculum
 - I volunteered in this role because programming is my passion, and I enjoy sharing my knowledge with others as well as forming connections with other mentors.

Achievements/Leadership

Bloom Future Founders – People's Choice Award

- Bloom (further information in education section) awarded my team with a prestigious people's choice award for our constructed business
- Demonstrates leadership qualities and collaborative teamwork that distinguished our project from competitors

Advocacy Representative – Perth Mod

- I was selected as the advocacy representative for my class for 2025
 - This requires me to communicate with the student councillors and my class, attend meetings, and organise programs and events for the school.
 - Demonstrates leadership skills and trustworthiness.
-

Education

Perth Modern School

Year 7 to Year 10 (Current)

- I undertook the GATE (Gifted and Talented Entrance) test and qualified for Perth Modern which is a fully academic selective school.
